

# ESTIMATED 2019 Canterbury Open Prize Payout

Please note: this payout information is based on estimated numbers of entries (in **most** cases based on the entries received in 2018). Payouts in each event will increase or decrease depending on the number of entries received in each event. There were not enough Junior/Youth grade bowlers in 2018 to hold a Masters event therefore payouts for the Junior/Youth division are based on six entries being received.
