472 Male

301 Female

In discussion with Manukau about getting their bowlers registered as TBNZ members for 2025 as they are no longer a partner centre.

This is important so their bowlers can bowl in tournaments (e.g. Waitakere Open) and that if an honour score is bowled it will be recognised.

#### 3.4 Education Manager

Query received about Bowl Patrol costs/setup/etc.

TBNZ would be supportive of any assistance we receive to increase participation in tenpin bowling.

Any costs involved would need to be financed by funding applications.

Claire to get more information from TBA about the flexibility of the Bowl Patrol program.

Requesting TBA for the latest version of the coaching manuals so these can be store locally and shared with the appropriate coaches according to their qualifications.

### **Contact coaches on coaching register**

Contact all current coaches to find out their status and any blockers/barriers to prevent them from upgrading to the next level.

**Due Date:** 2 May 2025

**Owner:** Claire Gow

Agreement with TBA / USBC ambassador program has expired.

Local instructors must be silver level and specially trained.

When agreement is renewed TBNZ need to adjust pricing on TBNZ web site to match current costs

### **Send USBC Ambassador Agreement**

Send current USBC Ambassador Agreement to Claire so this can be discussed with TBA

**Due Date:** 18 Apr 2025

**Owner:** Jim Roberts

## **3.5 Sport Integrity Commission**

Nothing to report other than a few inquires from Seniors about drugs they are prescribed and if they are on the Prohibited list

## **3.6 Tournament**

Pete reported an increase in entries for the TBNZ50 Nationals, with 99 all events entries compared to 86 last year, an increase of about 15%. He also mentioned that there were few people left to pay but most entries were fully paid.

Bit of a nightmare squeezing everyone into the available squads.

If bowlers are paying for the entry fees for others then a full breakdown would be appreciated to assist in reconciliation of funds.

Next project is to start working on the documentation for the TBNZ50 Teams Championships. Hopefully these will be reviewed and published shortly.

Ian shared his successful experience with the ball registration process for the TNMZ50 Nationals. Randomly selected 4 men and 4 women each day from the list of bowlers to check on their bowling balls.

## **3.7 Media**

Nothing outstanding to report

## **3.8 CEO Update**

Ian reviewed emails from the CEO inbox and shared any relevant information with the management team

**Due Date:** 18 Apr 2025  
**Owner:** Ian Klein

#### Send Constitution to Board for approval

Send proposed amended Constitution to Board for approval and addition to the AGM agenda

**Due Date:** 18 Apr 2025  
**Owner:** Ian Klein

### 4.2 Six Ball Rule from Phil Wright

Reviewed email comments from Phil Wright about the TBNZ implementation of the 6 Ball limit for TBNZ tournaments and the advantages/disadvantages for local versus traveling bowlers.

These changes were implemented with the intention to even out the playing field and to be fair to all bowlers over time. No rule will suit all of the bowlers, all of the time.

TBNZ will endeavour to have an official practice before ball registration if practicable. This is much easier for the 3 x TBNZ teams events than the Nationals.

#### Email response to Phil Wright

Respond to Phil Wrights 6 Ball limit email

**Due Date:** 25 Apr 2025  
**Owner:** Ian Klein

### 4.3 Any other General Business

Katipō shirt designs for international teams appears to be inconsistent.

This is most probably because of the transition of CEO and lack of guidance for International team managers.

All International shirt designed are now required to be approved by the TBNZ board.
